

DWE6411-QS

1/4 Sheet Orbital Palm Sander 220V

FEATURES

- 2.3 AMP motor sands at 14,000 OPM
- Rubber over mold texture will provide smooth and comfortable control while sanding
- Improved paper clamp features for better paper retention
- Locking dust-port system that allows the user to lock vacuum hose up with the sander
- Reduced overall height of the sander to get the user closer to their work
- Separate counterweight design reduces vibration
- Rubber dust boot over the switch to protect against dust ingestion for longer switch life

SPECIFICATIONS

Power Input	230 Watts
Amperage	2.3 Amps
Dust Sealed Switch	Yes
Paper Size/Type	¼ Sheet
Sander Type	Palm
Dust Collection	Yes
Orbits/Min	14,000 opm
