

**OIL CANS**    **PT Series**    **OC Series**

esp Aceiteras    fr Huilier à poignée    de Metal-Öler

**Product Brief**

Complete range of oil dispensing cans in a range of sizes from 125 ml to 1 litre (4 oz. to 1 quart)

All steel construction, with the body seamless drawn from tin coated sheet in premium powder coated finish

Metal pump has 2 ball valves for large volume delivery per stroke. The suction valve at the bottom of pump is without spring, which prevents malfunctioning because of sticking valve due to resinous oil

**PT Series**

The PT series Oil cans have a modern & contemporary design with a dome shaped body. This is the most popular oil can design worldwide. Both types of oil cans are manufactured with  
 a. Steel Pump - Powder coated Red  
 b. Brass Pump - Powder coated Blue

Can be supplied with rigid steel extension, wire braided flexible spout or both

**OC Series**

The OC series Oil cans have a more traditional design. These are designed for large hands & are popular in North America. These are available in both Lever Style & Pistol Style & have a steel pump construction - powder coated Black. Lever style Oil Cans come with a choice of rigid steel spouts with 30° bent or wire braided flexible extension. Pistol style are supplied with either rigid steel or wire braided flexible extension

**! WARNING**

This product contains, chemicals, including lead, know to the state of California to cause cancer, birth defects or other reproductive harm.  
**Wash Hands After Handling.**
