

EB 30/1 Li-Ion

Kärcher has brought the first battery-powered, electric broom for professional users, the EB 30/1 Li-Ion, to market. The newly developed machine is fitted with an easily replaceable roller brush and easily removable dirt collection container: a brush and dustpan in one. It allows fast, quiet (56 dB(A)) and reliable cleaning of dirty areas on hard floors and carpets during business hours.

1 Easy battery replacement

- The powerful lithium-ion battery is easy to remove and change in a few simple steps.

2 Brush replacement without tools

- The roller brush can be removed without tools for easier cleaning.

3 Fast charger

- Quick and easy emptying without coming into contact with dirt.

4 Waste container is simple to remove and replace

EB 30/1 Li-Ion

- Lithium-ion technology
- Parking position
- Removable roller brush
